WORK SESSION
MARCH 5, 2013
8:00 AM

The Wilkinson County Board of Commissioners met in a Work Session at 8:00 AM on March 5, 2013 at their office in the Courthouse. The following Commissioners were present: Chairman Dennis Holder, Commissioner J.M. Howell, and Commissioner C.L. Brooks, Commissioner John Williams, and Commissioner James Hagins.

The following staff was present: County Manager David Franks.

Visitors: John Leggett from MSI Benefits Group, Inc.

Chairman Holder opened the Meeting by asking John Leggett, an Insurance Broker representing MSI Benefits Group, Inc. to address the Board. Mr. Leggett started out by explaining to the Commissioners what employee benefits MSI would offer Wilkinson County employees and how MSI could help with negotiating yearly quotes. Mr. Leggett explained to the Commissioners that his company already represented 15 other counties, and there were things that could be done to lower Health Insurance rates without cutting the policy benefits. He explained the difference in the 2 different types of plans that Wilkinson County offered its employees and suggested ways of making them equal in cost for their employees.

At the end of the presentation, Mr. Leggett explained to the Commissioners that MSI was offering to represent Wilkinson County at no cost until July 1, at that time the cost would be 4%. If the county was not happy with the Insurance costs they did not have to utilize their services.

Chairman Holder adjourned the meeting.
