Visitors:

Chairman Holder opened the Meeting by asking County Manager David Franks to address the Board on the current SPLOST. Mr. Franks started by giving the Board an update on the 2007 SPLOST. He stated that the Bond had been paid off and that the County account was \$447,137.06 and that Public Safety was \$7,647.40. He also told the Board that the 2007 SPLOST had been \$1,926,945.56 of the estimate.

Mr. Franks gave the Board a copy of the estimate he had started for the current SPLOST which only had four month collection and stated that that trend was also short of the estimate of \$10,738,478.00 set by the Department of Revenue. If the current trend continues that the SPLOST would be \$8,772,823.26 which would be \$1,965,654.74 less than the estimate.

Mr. Franks also gave them copies of the Estimate by the Department of Revenue, the Resolution to Levy the SPLOST, the Intergovernmental Agreement, and the Budget. He explained that the main difference in the two SPLOST was that Economic Development had been put in with Public Safety.

Chairman Holder adjourned the meeting.
