WORK SESSION  
NOVEMBER 5, 2013  
10:00 AM

The Wilkinson County Board of Commissioners met in a Work Session at 10:00 AM on November 5, 2013 at their office in the Courthouse. The following Commissioners were present: Chairman Dennis Holder, Commissioner J.M. Howell, Commissioner James Hagins, and Commissioner John Williams.

The following staff was present: County Manager David Franks and County Attorney Dubose Porter.

Visitors: Ted Smith from Arcilla, Jim Bevill, Marty Beacham, and Greg Brantley from Carbo Ceramics, and Marty Dominy.

Chairman Holder opened the Meeting by asking County Manager David Franks to address the Board about the damage on Wriley Road. Mr. Franks explained to the Board and visitors that Wriley Road had sustained some severe damage due to Arcilla Trucking hauling a form of waste for Carbo Ceramics. Mr. Franks explained that while the hauling did follow the letter of the law, there was another law in the State of Georgia, O.C.G.A. 32-6-1, which stated that if damage was done to a road the person doing damage was liable. He also stated that it was the intent of the Board to work with Industry, however the cost to the Citizens of Wilkinson County to do a Full Depth Reclamation on that stretch of Wriley Road would be around 1.2 million dollars. Mr. Franks then stated that County Attorney Dubose Porter had a plan to ask DOT for assistance and asked Mr. Porter to address the Board.

Mr. Porter stated that his suggestion was to ask DOT for assistance along with our Legislative people. He suggested that Carbo and Arcilla also ask for assistance.

Chairman Holder adjourned the meeting.
